Three suggested systems for memory:

Read, Write, Recite	Substitute Blanks	ALL CAPS
Read & write the verse down slowly, word for word, and recite it aloud as you do. Doing so activates your eyes (reading), hands (writing), your mouth and ears (speaking/hearing) so you better internalize the verse.	Write the verse on a white board. Read it through. Then erase a word, and read it again. Then erase another and reread it. Keep going till there are no more words.	Write the first letter in every word (the first letter will spark the full word in your mind). Ex: Philippians 1:3 "I thank my God every time I remember you" would be: ITMGETIRY. Write it down somewhere you will see it often (on a calendar, in a journal, even on your arm!) and each time you see it, speak the whole verse aloud.
